PLASTICON INC.

Sept. 14, 1959

Dr. J. H. Moden, Jr.
R.F.D. #1
Liberty Center, Ohio

Dear Dr. Moden:

In reply to your request regarding our removable fiberglass tops for your 1957 MG "A", we are enclosing our current brochure and price list.

Our tops feature built in rain gutters, chrome plated clamps and foam plastic headliner material. We prefer to ship in a prime finish. We will, if required, finish the top to a color tab. However, an exact match cannot be guaranteed because the color on the car can fade or change as a result of weather.

Thank you for your inquiry.

Very truly yours,

PLASTICON, INC.
