* Porsche top only requires side windows, due to the greater window height. These can be obtained at Plasticon, Inc., at a cost of \$33.75 per set.

All other Plasticon, Inc., fiberglas tops are designed to fit the standard side curtains of the factory car. All independent manufacturers of sliding panels also design their panels to the size of the original curtains of the factory sports cars. Therefore, our tops can be used with factory side curtains or side panels sold by independent side panel manufacturers with the exception of the Porsche.
